Video Products Technical Bulletin 30-2002-094

DATE: **June 24, 2002**SUBJECT: **REUSE TRANSISTOR INSULATION PLATE WHEN
REPLACING FB BOARD**MODEL: **PVM-8020
PVM-9020PM**SERIAL NO: **ALL****DESCRIPTION**

When replacing the FB board (A-1245-256-A), remove the transistor insulation plate from the former board and mount it on the new board. Q610 and D615 ship with the new board, but must still be mounted on the board.
