Subject: **NEW CABINET ASSEMBLY AND VF-504
CORD HOLDER KIT**

Model: **PVM-5041Q**

Serial No: **ALL**

DESCRIPTION

A new cabinet assembly (**X-4030-439-3**) and its associated VF-504 cord holder kit (**X-4031-022-1**) are now available as service parts.

NOTE: Units with serial numbers 2,002,001 and higher have been factory modified.

The screw holes on the new cabinet assembly where the VF-504 cord holders are attached have been changed from 3.6mm diameter (for tapping screws) to M4 (for machine screws), to more securely fasten the attached parts. The VF-504 cord holder kit includes two cord holders and the appropriate machine screws.
